RE: Temporary Facility Relocation, Technical Analysis Deficiency Submittal, Dugout Canyon Mine, Canyon Fuel Company, LLC, Carbon County, Utah, C/007/039-AM01J

Dear Ms. Grubaugh-Littig:

Canyon Fuel Company, LLC hereby provides an amendment addressing the deficiencies associated with the movement of temporary facilities/structures at the Dugout Canyon Mine. The reclamation costs associated with the temporary trailers and containers are provided with this amendment. Pages 1 and 6 of the bond include the changes associated with the "temporary facility relocation" whereas pages 22 and 23 have been included because of calculation errors discovered during the compilation of this bond revision.

A complete reclamation bond estimate was included and approved by the Division as Attachment 5-2 with the Leach Field amendment, however the bond should have replaced the previously approved bond in Appendix 5-6 of the M&RP. With this revision to the bond we are requesting that you assist in correcting this error. The reclamation bond estimate in Appendix 5-6 needs to be replaced with the currently approved bond in Attachment 5-2 in the Leach Field Addendum A-1. Attachment 5-2 is to be eliminated from the Leach Field Addendum. Page 5-11 of the Leach Field addendum needs to be replaced to direct persons reading the addendum to Appendix 5-6 of the M&RP for the bond.

Should you have any questions please contact either Vicky Miller or David Spillman at (435) 637-6360.

Sincerely yours,

Vicky S. Miller
