Outgoing File

Dear: Mr. Olsen

The Division received an application for drilling and construction of a water well September 4, 2001. We anticipate completing this review by October 5, 2001. Steve Demczak has been assigned as the team lead on this project. Copies are being forwarded to the Office of Surface Mining and the Bureau of Land Management for their review or concurrences.

If you have any question, please call Steve at (435)-613-5242 or me at (801) 538-5268.

Sincerely,
