RE: Gilson Water Well, Canyon Fuel Company, LLC, Dugout Mine, C/007/039-01H,
Technical Analysis Deficiency Submittal

Dear Ms. Grubaugh-Littig:

Attached please find five clean copies of Pages 3-36, 3-48, 3-49 and 7-82. In addition there are five clean copies of Appendix 2-8 (text only). With the submittal made in December both redline/strikeout copies and clean copies of the text, plates and appendices were submitted, however the UDOGM staff has brought to our attention errors in the clean copies which needed correction before they could be incorporated into the approved permit. The pages submitted with this letter should correct the errors and facilitate the incorporation of the text, plates and appendices into the permit.

Thank you for your assistance and if you have any questions, please call me at (435) 636-2869.

Sincerely yours,

Vicky S. Miller
