**RE: Refuse Pile Amendment, Response to Administrative Completeness Review
Comments, C/007/039 -SR02D, Canyon Fuel Company, LLC, Dugout Mine**

Dear Ms. Grubaugh-Littig:

Enclosed please find five copies of a submittal to address several comments made in response to the "administrative completeness review". This submittal can be combined into the binder of the original submittal made in April 2002. However, upon approval all of the information in this submittal will be incorporated directly into the M&RP, not into the refuse pile document. If you would like assistance in combining the submittals, please let us know when you are ready for us to assist you.

This submittal contains a bond which includes the refuse pile. The bond was not submitted initially because we were waiting for a revised bond to be approved for incorporation into the M&RP. The refuse pile reclamation calculations have been incorporated into the currently approved bond calculations.

Also included in the submittal is a copy of the affidavit of publication for the refuse pile and revisions to Chapter 1, to include current violation information and to update officers, directors and right-of-entry information.

An additional copy has been delivered to the Price Field Office.

Please contact Vicky Miller at (435) 636-2869 or Chris Hansen at (435) 448-2669 if there are any question concerning this submittal.

Sincerely yours,

Vicky S. Miller
