RE: Revision to Facilities within Disturbed Area - Addition of Stoker
Coal Bin and Relocation of Storage Containers, Canyon Fuel Company, LLC, Dugout Canyon
Mine, C/007/039

Dear Ms. Grubaugh-Littig:

Attached please find five copies of a revision to the M&RP to address the addition of a stoker coal bin to the surface facilities. In addition we will be moving into the new office building soon and plan on using the storage containers previously used for warehousing and office space for their intended use, as storage. The containers will be moved to their new locations as designated on the enclosed map once the move into the office/warehouse/bath house/shop building is complete.

An additional copy of the submittal has been delivered to the Price Field Office.

Thank you for your assistance and if you have any questions, please call me at (435) 636-2869.

Sincerely yours,
