**RE:** Withdrawal of MW-02 Degassification Well Amendment, C/007/039 -02J, Canyon Fuel Company, LLC, Dugout Mine, C/007/039

Dear Ms. Grubaugh-Littig:

Canyon Fuel Company, LLC, Dugout Canyon Mine would like to withdraw the MW-02 Degassification Well amendment. The mine plan has changed and the well will no longer be needed. However, the need for methane degas wells has not diminished and the current mine plan is requiring the submittal of an amendment for two degassification wells in an area yet to be mined. We are planning to submit this amendment within the next two weeks.

Please contact Vicky Miller at (435) 636-2869 or Dave Spillman at (435) 636-2872, if there are any question concerning this request.

Sincerely yours,

David G. Spillman  
Manager of Technical Services
