RE: Revisions to Chapter 1, Dugout Canyon Mine, Canyon Fuel Company, LLC,  
 C/007/039, Carbon County, Utah

Dear Ms. Grubaugh-Littig:

Attached please find four copies of an amendment to address revisions to Chapter 1 of the Dugout Canyon Mine permit. The revision includes the update of AVS information. The organizational chart that is being removed with this submittal was previously revised and submitted and approved in September 2003 and begins on Page 1-22 of the currently approved M&RP. In addition, Table 1-1 has been revised, much of the information previously on Table 1-1 has been incorporated into Table 1-2, which is in the approved (September 2003) M&RP beginning on page 1-23. There are several pages which have been intentionally left blank, upon approval of the SITLA lease all of Chapter 1 will be resubmitted and these pages will be removed. An updated insurance liability certificate is being provided for inclusion in Appendix 1-2 as is a copy of a proof of publication.

This submittal is to address your request and to prepare for the eventual submittal of a General Chapter 1 for Canyon Fuel Company, LLC operations.

A copy of this submittal has been delivered to the Price Field Office.

Thank you for your assistance and if you have any questions, please call me at (435) 636-2869.

Sincerely yours,

*Vicky S. Miller*
