Dear Ms. Grubaugh-Littig:

The Utah State Historic Preservation Office received the referenced information on August 11, 2004. After consideration of the consultation request in behalf of the Division of Oil, Gas and Mining, the Utah Preservation Office provides the following comments per §36CFR800.

Consultation; USHPO concurs with a determination of No Historic Properties Affected with one question, are there any conditions that may indicate subsidence problems for the mine? If there is potential, USHPO would recommend further consultation concerning this undertaking.

This information is provided on request to assist with Section 106 responsibilities as specified in §36CFR800. My email address is: jdykman@utah.gov

As ever,
