RE: SITLA Lease Amendment - Clean Copies, Task #1915, Dugout Canyon Mine, Canyon Fuel Company, LLC, C/007/039, Carbon County, Utah

Dear Ms. Grubaugh-Littig:

Attached please find four copies of Chapter 3 and Plate 1-4. This information is provided to make it easier to incorporate the SITLA Lease information into the approved M&RP and not exclude currently approved information. The information in both the chapter and plate have been previously approved. During the time the SITLA Lease was being reviewed other amendments have been submitted, reviewed and approved, making it necessary to merge the information from the M&RP with the information in the SITLA Lease, thus, the submittal of Chapter 3 and Plate 1-4. In Chapter 3, multiple pages were removed, which required changes to pagination. The degas wells were added to the approved Plate 1-4 in the M&RP but were not included on Plate 1-4 submitted with the SITLA Lease. The submitted clean copy of Plate 1-4 includes the approved degas well locations and the revised permit boundary.

In addition, we are submitting a binder (Clean Copies, Volume 1) which to the best of our knowledge contains all the information associated with the SITLA Lease Amendment, Task ID # 1915 to be either incorporated or removed from the M&RP. This will assist in compiling the approved "clean copy" information from the various submittals made in conjunction with the SITLA Lease project.

Inside the binder is a copy of the C-2 forms associated with the SITLA Lease project. There is a color dot attached to each C-2 form which corresponds to dots in the binder. This should assist in locating the information from the various submittals. Only a copy of the title blocks for each map has been furnished because clean copies of the maps were furnished previously, but a complete copy of the text, figures, tables and appendices have been provided in the binder.

A copy of Chapter 3 and Plate 1-4 has been delivered to the Price field office with a copy of the C-1 and C-2 form and cover letter, but the binders have only been provided to the Salt Lake office.

Should you require assistance with the compilation of the information or if we can be of any other assistance, please do not hesitate to call (435) 636-2869. Thank you for your assistance.

Sincerely yours,

Vicky S. Miller

3/11/05

Plate 1-4 has undergone several revisions since the SITLA Lease amendment was submitted. These various revisions have been put onto a plate being submitted with this clean copy amendment. The version submitted on 1/14/04 should be compared with the version currently approved in the M&RP to verify that the two maps have been merged onto the map submitted here.
