RE: Pace Canyon Fan Portal Amendment, Task #2104 - Dugout Canyon Mine, Canyon Fuel Company, LLC, C/007/039, Carbon County, Utah

Dear Ms. Grubaugh-Littig:

Attached please find four copies of an amendment to address the deficiency(s) associated with Task No. 2104. The TA has been printed and including in each binder. Below each regulation/deficiency is an explanation or the location within the M&RP where the deficiency has been addressed.

We have provided a copy of the SPCC plan to Pete Hess at the Price Field Office and a copy is on file at the mine site. The SPCC plan is not to be included in the M&RP. >

We appreciate your commitment to complete this review as quickly as possible. Please do not hesitate to contact us with concerns as they arise in your review process. We are committed to address your concerns as they arise. We are hoping to start construction of the Fan Portal site by the end of April, should approval of this amendment and the weather permit.

A copy of this submittal has been delivered to the Price field office.

Thank you for your assistance and if you have any questions please call me at (435) 636-2869.

Sincerely yours,

*Vicky S. Miller*
