RE: Revisions to Add Degas Wells G-18, G-31 and AMV Road - Dugout Canyon Mine, Canyon Fuel Company, LLC, C/007/039, Carbon County, Utah

Dear Ms. Grubaugh-Littig:

Attached please find four copies of revision to the Methane Degassification Amendment to address the addition of Degas Wells G-18, G-31 and AMV Road to the permit. To the best of our knowledge the regulations have been addressed in this amendment, including bonding and archeological reports to be incorporated into the confidential binder.

The redlined text previously submitted with the amendment for degas well G-19 also appears in this amendment. The soil analyses for the sites have not yet been received from the laboratory, but will be included once they are received.

A copy of this submittal has been delivered to the Price field office, BLM Price field office, BLM Salt Lake office and SITLA.

Please call with questions as they may arise in your review (435) 636-2869. Thank you.

Sincerely yours,

Vicky S Miller
