Hi Angela and Wayne,
The information received on March 8, 2007 adds a new VP to Canyon Fuel Co list of directors. Please consider this email in lieu of a technical memo, to recommend that the two new pages be approved and inserted into the plan.
Thanks for asking,
Priscilla

Hi Priscilla,

Vicky Miller just submitted Revisions to the General Chapter 1 for Dugout Mine. Do you know if this is suppose to be a new review? We already approved and incorporated information for the General Chapter 1...

Thanks!
Angela
