Subject: Determination of Completeness for Permit Renewal, Dugout Canyon Mine, Canyon Fuel Company, LLC, C/007/0039, Task ID #2880, Outgoing File

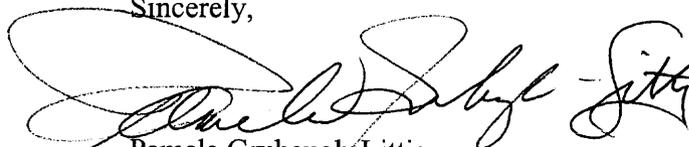

Dear Mr. Sass:

The Division received your application for renewal of the Dugout Canyon Mine permit on November 13, 2007. An initial review of the submitted information indicates that the application is administratively complete.

Because of the strict time frames associated with public notice for a renewal application, you should immediately proceed with publication as required by R645-300-121. At the same time you should ensure that a copy of your current plan is available for public review. A copy of the Affidavit of Publication should be forwarded to the Division for insertion into the Mining and Reclamation Plan as soon as it is available.

If you have any questions, please call me at (801) 538-5268.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
