Vicky,

For whatever reason, my attempt to fax you the final approval letter/updated permit didn't work so I've scanned the documents. You should be good to go with the 240-acre expansion. Angela will be back in the office tomorrow and will be sending you the incorporated copies of the plan as well as the attached documents.

Now don't be shy about letting Mr. Baza know that we got something done ahead of schedule. ;)

Let me know if you have any questions.

Steve
