Vicky,

Attached is the signed approval letter for the Dugout Mine Degas G-22/Access Road amendment. As we discussed, the approval is stipulated upon Exhibits A and D being updated to reflect the additional disturbed acreage by December 10th, 2008. The updated acreage should also take into account degas pads G-18, G-31 and the AMV Road.

Give me a call if you have any questions. Have a good weekend.

Steve
