Gentlemen:

I have been instructed to delay my response to Utah until I have consulted with you. Please review the attached permit revision application and provide me with a response. Only one response from BLM would be necessary.

The Division received an application for permit change. We are asking for your determination as to whether or not this action constitutes a Mining Plan Modification. Please provide your determination by June 18, 2009 through ogmcoal@utah.gov.

When responding, please reference Task ID #3274 in the regarding line.
