Angela, I have another degas hole amendment coming in soon. I would prefer to wait until it is approved, or we will be going through this exercise again in October/November. Please let me know if this can wait a couple of months. Thanks, Vicky

Hi Vicky,

According to my records - the approval of Task ID #3348 increased the disturbed acres for Dugout from 101.1 to 104.7. In order to reflect this recent change, please complete the attached Exhibit "D" - Stipulation to Revise Reclamation Agreement and the attached Exhibit "A" - Bonded Area.

Thank you,
Angela
