Dear Mr. Sass:

The Division has concluded its technical review of the above-referenced amendment and recommended conditional approval. Final approval will be granted upon the receipt of 6 clean copies prepared for incorporation. Please submit these copies by February 5, 2009.

A stamped incorporated copy of the approved plans will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan. This modification does not necessitate an update to the Technical Analysis.

If you have any questions, please call me at (801) 538-5262 or Steve Christensen at (801) 538-5350.

Sincerely,

James D. Smith
