RE: Submittal of Revisions to General Chapter 1, for all Canyon Fuel Operations, Dugout Canyon Mine, Canyon Fuel Company, LLC, C/007/039, Carbon County, Utah

Dear Sirs:

Attached please find five copies of information revised in General Chapter 1 for review. Upon approval a copy of this information should be incorporated into the General Chapter 1 stand-alone binder for the operations listed. A copy of this stand-alone binder should be with each of the following mining operation's M&RP: Banning Loadout (C007/034), Dugout Canyon Mine (C007/039), Skyline Mine (C007/005), Soldier Canyon Mine (C007/018), SUFCO Mine (C041/002). A sixth copy of the information is being provided to the Price Field Office for review.

When the information is approved for incorporation into the permit, we will provide fourteen copies for distribution. The planned distribution for the fourteen copies of the revised information follows: five copies, one each for the mining operation's binders at UDOGM, three to be stamped and returned to Dugout (a copy of this will be send to each of the other operations), one for OSM and five copies to be circulated as UDOGM sees fit.

Thank you for your assistance and if you have any questions please call me at (435) 636-2869.

Sincerely yours,

Vicky S. Miller
