Steve,

I believe you requested a copy of this letter (request for upset declaration). My response letter is going up the chain here in our Division. Daron will receive a cc of that letter if and when it goes out. Sorry I slipped an extra r into Daron's first name, down by the cc in the letter. Please stay in contact and let me know what you are thinking.

Gentlemen;

Attached is a letter requesting an upset condition determination for the Dugout Mine, we have also included drawings depicting information referenced in the letter. If you require additional information I can be contacted at this e-mail or by telephone at (435)636-2869

A paper copy of the letter and drawings will be mailed today.

Thanks, Vicky Miller
