Hi,

The amendment has passed it's initial review and can proceed to technical review. It would appear that the team would be myself (hydro), Ingrid (bio./arch), Priscilla (soils/land use), Pete (bonding) and James (engineering). I'll get a copy on it's way down to Price.

Let me know if you have any questions.  
Steve

Hello Steve,

We received the above application on 3/08. The IR is due on 3/23. Please email me, cc to Jim and Daron, when the IR is complete. At that time, I will send an email notification to the Operator and Jim will assign a team to review.

A copy has already been delivered to PFO by the Operator.

Thanks,  
Suzanne
