Steve,

I have reviewed the midterm response submittal from Dugout Mine, Task #3660. They have provided a reference to a subsidence map in accordance with 301-645-632.200. No further action is needed and approval is recommended.

Dugout folks,

Vicky Miller has submitted Dugout's response to our recent mid-term review. The team has been assigned in the CTS. Our due date is November 15th. Let me know if you have questions or if something comes up that I can help with.

Thanks,
Steve
