---

Vicky,

According to Suzanne, we need 9 clean copies. One of the five that you sent goes to the INCOMING file in our PIC room. The breakdown is as follows: 5 to SLC, 5 to PFO, 1 to OSM, 1 to BLM and 1 to you. As such, 9 is the number of copies. We'll get a conditional approval letter out today. Let me know if you have any questions.

Til next time,  
Steve
