Subject: Conditional Approval of Cultural Resource Surveys, C/007/0039, Canyon Fuel Company, Dugout Canyon Mine, Task ID #3944

Dear Mr. Sass:

The above-referenced amendment is conditionally approved upon receipt of concurrence from the Utah State Historic Office on the Division's findings. Once the Division receives concurrence, final approval will be granted.

A stamped incorporated copy of the cultural resource surveys will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan. This modification does not necessitate an update to the Technical Analysis.

If you have any questions, please call me at (801) 538-5325 or Steve Christensen at (801) 538-5350.

Sincerely,

Daron R. Haddock
Coal Program Manager
