### Coal Lease Bond Period of Liability Terminated

On September 1, 1999, a coal lease bond for Federal coal lease UTU-76195, with Canyon Fuel Company, LLC., as principal, and St. Paul Fire and Marine Insurance Company, as surety, was accepted by this office. A rider to this bond increasing the amount to \$202,000 was accepted July 20, 2001. A replacement bond in the same amount, was filed in this office on November 19, 2012, and accepted by this office on December 5, 2012. On November 19, 2012, a request was made to terminate the period of liability of this following listed bond covering this Federal coal lease:

<u>Coal Lease Serial Number</u>	<u>Surety Bond Number</u>	<u>Bond Amount</u>
UTU-76195	400SA1543	\$202,000

The Bureau of Land Management (BLM) Price Field Office by a memorandum dated January 27, 2014, determined that a lease bond accepted on January 16, 2014, adequately covers the bond liabilities on this lease. Therefore, the period of liability of the above noted bond may be terminated effective the date of receipt of the replacement bond, November 19, 2012.
