To: Amanda Daniels <AMANDADANIELS@utah.gov>

FYI. Dugout is requesting a new outfall. They said they are preparing the permit application for you at this time. Currently, I do not foresee any complications in the addition of this proposed outfall to their UPDES permit. I am going ahead with permitting the outfall at this time as an inclusion in their UPDES permit renewal. Let me know if you have any problems with that.

Thanks,
Ken

Ken,

Dugout is currently looking to expand our Waste Rock Site Area and with this expansion we are proposing an additional outfall point. Please see the attached documents proposing the outfall 007 to our Waste Rock Site.

Again we appreciate your help with this project.

Thanks,

William King
