Bond Reduction Recommended

Canyon Fuel Company, LLC currently has on file with the Utah State Office of the Bureau of Land Management a coal lease surety bond in the amount of \$2,076,000 to cover coal lease UTU-07064. The surety for this bond is Lexon Insurance Company.

Regulations at 43 CFR 3504.60 allow for the amount of any bond to be increased/decreased when additional/less coverage is determined to be appropriate. The Utah State Office, in conjunction with the Price Field Office, has made a determination that the bond covering coal lease UTU-07064 can be reduced to \$621,000, based on the requirements of this coal lease.

This bond amount may be decreased by either a rider to the current bond, or by submitting an entirely new bond for the required amount. If you do not agree with the bond amount, you must submit written justification to this office clarifying your position for a different bond amount

If you have further questions, please contact Judy Nordstrom at (801) 539-4108 or jnordstr@blm.gov.
