RE: PAP 007/041 Revision 5

Dear Pam:

Enclosed are five copies of the revision 5 changes for the West Ridge Mine Permit Application Package (007/041). Also included are the C1-C2 forms that reference this revision. This revision is being submitted due to ownership/name changes. Enclosed are text and map changes for the West Ridge PAP. The text changes involve replacement of three appendices, Appendix 5-3, Appendix 5-5 and Appendix 7-4. (Appendix 7-4 is a separate binder.) These revisions are primarily a result of changing the company name Andalex Resources, Inc. with WEST RIDGE Resources, Inc. Also included are five new map sets consisting of Volumes A, B and C. The map changes also result from the name revision. Maps which require certification have also been stamped in this submittal. New, revised covers are being supplied for Volumes 1, 2, and 3.

The West Ridge Project will now be owned and operated by WEST RIDGE Resources, Inc., a joint partnership between Andalex Resources and IPA. This package, dated 05/29/98, includes information regarding this change. Please call me if there are any questions.

Sincerely,

Jean Semborski
Project Engineer
