Dear Pam:

Enclosed are five copies of the revision 3 changes for the West Ridge Mine Permit Application Package (007/041). Also included are the C1-C2 forms that reference the revision. These revisions are being submitted in response to the Initial Completeness Review dated March 2, 1998. This package, dated 03/31/98, includes information regarding water usage, comments on post-mining land use from surface management agencies and an in-depth discussion of the experimental practice being proposed. Also included is one revised map (Map 2-4, dated 03/31/98) which should replace the map currently in the PAP. We hope this will be of assistance during your review process.

Sincerely,

Jean Semborski  
Project Engineer
