Dear Daron:

Enclosed is a disk of the West Ridge Mine Permit Application Package. The disk contains those chapter and appendices that are available in a WordPerfect format. This does not include the appendices of the PAP which were generated by consultants and provided to Andalex in a paper format only. Also, included is a reference sheet of the files included on this disk for easy reference. We hope this will be of assistance during your review process.

*File Disk*

*PRO/005/041*

*DET #2*

*Disk @ Paris desk currently.*

*Need ICR Review - 2/15/98*

Sincerely,

Jean Semborski  
Project Engineer
