Re: Updated Information for PAP, West Ridge Resources, Inc., West Ridge Mine,
PRO/007/041-98-2 (June 10, 1998), File #2, Carbon County, Utah

Dear Mr. Singh:

The Division recently sent you a Permit Application Package (PAP) for the West Ridge Mine. Due to a change in ownership there have been some changes made to the original application. The applicant has changed from Andalex Resources, Inc. to West Ridge Resources, Inc. We have enclosed a copy of the revised plans for your records. Please make sure your copy of the PAP is updated. We are currently reviewing the PAP to determine whether it contains all of the information necessary for issuance of a permit.

Please call if you have any questions or comments.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".

Daron R. Haddock
Permit Supervisor
