Re: Updated Information for PAP, Andalex Resources Inc., West Ridge Mine, PRO/007/041-98-1, File #2, Carbon County, Utah

Dear Mr. Singh:

The Division recently sent you a Permit Application Package (PAP) for the West Ridge Mine. Some updated information which was not in the original application has been recently been supplied to us to amend the application. We have enclosed a copy of the information for your records. Please make sure your copy of the PAP is updated. We are currently reviewing the PAP to determine whether it contains all of the information necessary for issuance of a permit.

Please call if you have any questions or comments.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".

Daron R. Haddock
