RE: West Ridge Mine MRP 007/041 Test Plot Amendment 99B

Dear Pam:

Enclosed are four copies of a test plot amendment dated 06/21/99 for the West Ridge Mine Permit (007/041). (The fifth copy is being sent directly to Mr. Pete Hess at the Price Field Office.) This amendment is being submitted in response to a meeting held at the site on June 4, 1999. During this meeting it was agreed that WEST RIDGE Resources will do additional work on the experimental practice test plot site. Attached are the notes that were developed during this site meeting.

Please call me if you have any questions.

Sincerely,

Jean Semborski
Environmental Coordinator
