Re: Updates for the Proposed West Ridge Mine, West Ridge Resources, West Ridge Mine, PRO/007/041-98-1, Folder #2, Carbon County, Utah

Dear Mr. Singh:

Enclosed are recent updates for the West Ridge Mine. The Division is nearing completion of the review and technical analysis and will be issuing the state permit within the next few weeks. The Division is also working on the findings for the experimental practices associated with this new mine.

If you have any questions, please call me.

Sincerely,
