Dear Ms. Littig

Although I should have been aware, I wasn't aware that you no longer allow submittals to be stamped received at the Price Field Office for the purpose of making submittals "on time". Our WEST RIDGE highwall drawings are due today and it was my intention to have them received and then mail to you. Since I now know what you require they will arrive one day late in your office by FED EX.

Sincerely,

Michael W. Glasson
