Dear Mr. Haddock

Due to unforeseen circumstances which developed last week at ANDALEX I was unable to finish the materials which were promised you by the 24th of August. I am therefore respectfully requesting an extension of time until the 31st of August to have this submittal completed. This will include information both on the pumphouse amendment as-well-as the experimental practice.

Thank you for your consideration.

Sincerely

Michael W. Glasson
Environmental Coordinator
