Re: Water Monitoring Amendment, West Ridge Resources, Inc., West Ridge Mine,
ACT/007/041-99D, Outgoing File

Dear Mr. Glasson:

I am returning this amendment to you per our telephone conversation on Friday, January 28, 2000. You said that you would not be revising the water monitoring sites for about six months. This permit change will not be acted upon within 90 days, therefore this amendment is being returned, per Division Policy.

If you have any questions, please call me.

Sincerely,

A handwritten signature in cursive script, reading "Pamela Grubaugh-Littig".
