Re: Denying Snow Storage Amendment, West Ridge Resources, Inc., West Ridge Mine,
ACT/007/041-AM00C, Outgoing File

Dear Mr. Glasson:

As we discussed on the telephone, the snow storage amendment that you submitted back in February contains some deficiencies which need to be corrected before we can further process it. You indicated that you would be unable to complete the application at this time but would prefer to resubmit it at a later date. Therefore, we are denying Amendment 00C and are returning the application to you. We anticipate receiving a revised version at some time in the future.

Please call if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Daron R. Haddock".
