Dear Mr. Haddock

On March 1<sup>st</sup>, 2001, WEST RIDGE Resources has an amendment due at the Division which has primarily to do with as-built drawings for the surface facilities, highwall and etc. Due to a serious illness in the family of WEST RIDGES' consultant the amendment is not quite ready. It is nearly complete, however we chose to request an extension rather than make a submittal which really wasn't quite complete. We request that the Division grant an extension until March 16, 2001 to submit a well prepared document.

Thank you for your consideration.

Sincerely

Michael W. Glasson  
Environmental Coordinator
