Re: Notice of Violation (N 0249-49-1-1) Abatement Extension, West Ridge Mine, C007/041

Dear Ms. Littig:

WEST RIDGE Resources received an NOV on February 19, 2002 which related to as-constructed surface facilities versus approved MRP surface facilities, specifically lining of ditches. It has become necessary to respectfully request an extension of time to finish preparing a submittal to the Division which will answer this NOV.

WEST RIDGE Requests that this extension be granted for a period of 30 days, until April 19, 2002

Thank you for your consideration and please call if you have any questions.

Sincerely,

Michael W. Glasson  
Environmental Coordinator
