Dear Mr. Glasson:

The Division would like to finalize the bond calculations for the West Ridge Mine, Wildcat Loadout, Genwal Mine and the Centennial Project. You, Gary Gray and Wayne Western have been working on these bond calculations for quite awhile and I understand that you three agree on most issues. All that remains is to finalize a few items.

Please finalize these bond calculations by July 15, 2002. If need be please set up a meeting with Wayne to clarify any questions.

I appreciate your prompt attention to this matter.

Sincerely,
