Re: Extension Granted for Response to Division Order, West Ridge Resources, Inc., West Ridge Mine, C/007/041-DO00A-5, Outgoing File

*Gary*  
Dear Mr. Gray:

The meeting held on June 14, 2002 to explain issues about the reclamation of the highwall was very helpful (see attached attendance list). Clarification of how the highwall slope will be reclaimed and revegetated, as well as the stated commitment by West Ridge Resources, Inc. to intensify the reclamation efforts in this .3 acres answered technical questions the Division has had about the reclamation at this site.

It is still incumbent upon West Ridge Resources, Inc. to incorporate all of the information discussed at that meeting and submit it to the Division. The Division grants an extension for submittal of all of the required information until August 15, 2002.

Thank you. If you have any questions, please call Pamela Grubaugh-Littig (801) 538-5268 or Pete Hess (435) 613-5622.

Sincerely,

*Lowell*
