RE: Findings for Highwall Reclamation Plan, West Ridge Resources, Inc., West Ridge Mine, C/007/041-DO00A-7, Outgoing File

Dear Mr. Gray:

This review highlights the deficiencies of your response to the Division Order. The Division can currently only approve the slope reclaimed to the angle of repose (or a lesser angle) (Appendix 5-10). If West Ridge Resources, Inc. would like to reclaim to a steeper angle, more information must be submitted as outlined in this review.

Please call me to set up a meeting by July 9, 2003 to discuss this review and how you would like to proceed. A copy of our technical analysis is enclosed for your information.

If you have any questions, please call Peter Hess at (435) 613-5622, or me at (801) 538-5268.

Sincerely,

Pamela Grubaugh-Littig  
Permit Supervisor
