Dear Sirs,

WEST RIDGE Resources, Inc. is requesting an extension of the submittal date of an entirely new Appendix 5-9 (Alternate Highwall Reclamation Plan). A date of April 4, 2005 should allow for the full preparation of this appendix.

Call me at 435-888-4015, or Dave Shaver at 435-888-4017, if you have any questions.

Sincerely

Gary E. Gray
