Re: Longwall Extraction of Panel 7, West Ridge Resources, Inc., West Ridge Mine, C/007/0041, Task ID #2328, Outgoing File

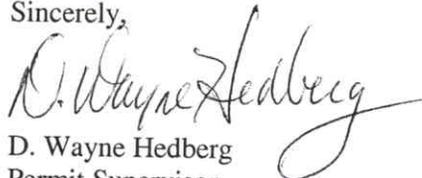

Dear Mr. Gray:

The Division found your amendment that requested permission to allow full extraction mining in panel #7 to be complete and technically adequate. The Division hereby grants approval on the condition that you submit five clean copies of the amendment to the Division by December 15, 2005.

Upon receipt of the five clean copies, the Division will return one copy stamped incorporated to update your company records. We have enclosed a CD of the updated technical analysis (TA) for your review.

If you have any questions, please call me at (801) 538-5286 or Wayne H. Western at (801) 538-5263.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
