Subject: As-Built Surface Facility Map – Clothes Storage, West Ridge Resources, Inc., West Ridge Mine, C/007/0041, Task ID #2380, Outgoing File

Dear Mr. Gray:

The above-referenced amendment is approved effective immediately. Six clean copies of the revised **Map 5-5, Surface Facility Map** were submitted with the initial application. A stamped incorporated copy is enclosed for your copy of the Mining and Reclamation Plan.

The individual reviewing your submittal has indicated that this minor revision to the surface facilities map does not warrant a revision to the Master Technical Analysis for the West Ridge Mine. Therefore, the most recent Master TA that has been forwarded to you already remains current for this permit amendment.

If you have any questions, please call me at (801) 538-5268 or Peter Hess at (435) 613-1146, Ext. 203.

Sincerely,

Pamela Grubaugh-Littig
