Subject: Re: West Ridge 2nd Quarter Water Monitoring

Gary,

I have uploaded all of the information for West Ridge from the pipeline into the permanent database. A report is attached.

It seems like you have included all required samples and parameters for the second quarter of 2006. This will be verified by the assigned hydrologist, you may want to verify for yourself first to avoid having delinquent data. If you do not know how to check the data in the database, please let me know and I can send you instructions.

Please let me know if you have any questions.

Thank you,

Dana Dean, P.E.

Karla has been after me to notify you that the 2nd Quarter Water Monitoring for West Ridge is in the database ready to upload. Please upload at your convenience.

Eric tells me that he will have Genwal early next week.
