Dear Mr. Hill:

Subject: Second Payment Invoice for Salinity-Offset Program Funding Agreement for UPDES Permit Nos. UT0025674 - Centennial Mines, UT00224368 - Crandall Canyon Mine, and UT0025640 - West Ridge Mine.

Attached please find the second invoice regarding the Salinity-Offset Program Funding Agreement for the above referenced UPDES permits. As you are aware, the UtahAmercian Energy, Inc. (UEI) mine facilities, as referenced above by their respective UPDES Permits, are required to participate in and/or fund a salinity-offset program to compensate for the amount of salinity discharged from each facility which is above the one-ton/day permit limits.

With the Salinity-Offset Program Funding Agreement in place and the first payment received on February 2, 2007, the second payment from UEI is to be made in accordance with the payment schedule as outlined in paragraph 2 of the Funding Agreement. The second payment of \$175,000.00 is due on or before June 30, 2007. Therefore, please remit the full invoice amount by June 30, 2007 to:

Department of Environmental Quality
Division of Water Quality
