Subject: Change in Ownership and Control, West Ridge Mine, C/007/0041, UtahAmerican Energy, Task ID #2920 and Crandall Canyon Mine, C/015/0032, UtahAmerican Energy, Task ID #2919

Dear Mr. Shaver:

The Division reviewed the changes in control of IPA for inclusion in the West Ridge and Crandall Canyon Mining and Reclamation Plans (MRP). The information is hereby approved and a stamped "incorporated" copy is being returned for inclusion in the West Ridge MRP. However, the recently approved Crandall Canyon Mine mid-term permit review (Task 2945) included this same information, so Task #2919 was canceled and there is no update to the Crandall Canyon MRP.

The Division requires IPA Secretary certification of the beginning and end dates you have provided. In accordance with R645-301-111.400, please provide IPA Secretary certification of the beginning and end dates identified in Section 9 of Appendix 1-7, for inclusion in the West Ridge Mining and Reclamation Plan and also for inclusion in Section 9 of Appendix 1-9 of the Crandall Canyon MRP. The Secretary's letter should be dated and notarized. Please provide this certification by May 15, 2008.

Sincerely,

James D. Smith
Permit Supervisor
