East Carbon, UT 84520

Subject: Deficient Permit Renewal Application, Task ID #3082, West Ridge Resources, Inc.,
West Ridge Mine, C/007/0041

Dear Mr. Shaver:

The Division received your application for the above-noted permit renewal on November 18, 2008. Pursuant to R645-300-130, the Division completed the requisite review of this application and identified the following deficiencies in your Mining and Reclamation Plan which should also be included as part of the permit renewal:

R645-301-112.300 et seq, Murray Energy Holding Co. is shown at the top of the organizational chart in App. 1-7, but the officers and directors names, last four digits of soc. security numbers, and the date they assumed their positions must also be included in App. 1-7. Such information must be accompanied by the notarized statement and signature from the Secretary of the corporation.

R645-301-521 and R645-300-141, A legal description of the surface disturbed acreage should be provided.

Please submit the above information by no later than December 18, 2008. If you have any questions, please call Priscilla Burton at (435) 613-3733 for further details.

Sincerely,

Daron R. Haddock
Permit Supervisor
